Project	EACOP – Jetty & Loading Out Facility
Employer	BESIX Ballast Nedam Limited (BBN)
Work Location	Tanga Port
Position Title	Seaman
Available Job Positions	8
Reports To:	Marine Coordinator
Employment Duration	Specific Task
Job Type	Full Time

Purpose and scope of assignment

Seaman is a maritime worker who performs general labor tasks on barges and vessels. Responsible for maintaining the ship's decks and exterior, as well as assisting in navigation, communication and execution of all duties as assigned by superiors.

Job responsibilities

- Perform lookout duty.
- Take a turn at barge wheel if required.
- Work with bridge equipment.
- Clean and perform maintenance on barge.
- Work with deck equipment.
- Identify and remove rust accumulations.
- Refinish affected areas with sealants, primers, and paints to slow the oxidation process.
- Scale, buff, and paint decks.
- Scrub, sweep, and wash deck.
- Splice wire and rope.
- Demonstrate marlinspike seamanship skills.
- Stage large amounts of equipment, such as twist-locks, braces, ratchet-straps, tie-down rods.
- Break out, rig, overhaul, and stow cargo-handling gear, stationary rigging, and running gear.
- Secure or fasten cargo to barge.
- Check cargo to look for wear and tear, broken or compromised securements, shifting, or any other sort of noncompliance.
- Loosen cargo at end of voyage.
- Launch and recover boats.

Job qualification, experience and skills.

Applicant should possess the following.

- Tanzanian citizenship.
- Minimum 3 years of continuous experience on a related role.
- Completion of basic STCW Mandatory trainings and other relevant maritime courses and certifications.
- Ability to perform physical activities that require considerable use of your arms and legs and moving your whole body, such as climbing, lifting, balancing, walking, stooping, and handling of materials.
- Attention to detail, instructions and a commitment to safety and quality.
- Good communication skills and command of English language.
- Physical fitness and the ability to work in challenging environmental conditions.
- Good problem-solving skills and the ability to adapt to changing situations on the job.
